**A CALL TO
LOCAL
ARTISTS
TO CREATE
A
'CONTRIBUTION
BOX'**

Sponsored in part by:
Worcester County Tourism

PURPOSE

To create a piece of art that functions as a collection receptacle for money.

The Arts and Entertainment District Committee is brainstorming a multitude of ideas to bring the public to Berlin to experience the arts.

The money collected through our Contribution Box project will fund a variety of needs, ie, promotion, advertising, entertainment, etc.

The more inviting we make our 'arts experience, the more word will get out to those who support the arts to visit Berlin.

We are so blessed with talented individuals who live and work here, and with the Arts and Entertainment designation, more will come. We hope to provide the highest quality of service to our artists and supporters of the arts, and we ask you, our talented local artists, to partner with us. 'Viva Arte'

CRITERIA

A box is a container.
It does not need to be square or rectangular (though it can be.)
It must however be able to hold (in this case) money! and hopefully lots of it.

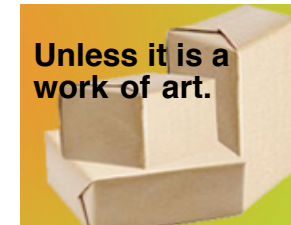

This particular container, that you are considering creating, must have an opening where money can be inserted, and a different opening where discretely, money can be removed, without damaging the container...

... BECAUSE, we plan to use your piece of art for a 'Silent Auction' so even more money can be made by it's existence.

This container must be able to sit on a pedestal or be tall enough to be it's own pedestal.

It can be designed for indoor or outdoor use.

It must be strong, functional and artistically AWESOME!

PROCEDURE

1. Let us know you want to participate. Call 410-629-0679
2. Make a fantastic piece of art that fits the criteria. We are pretty open about this. Go wild!
3. Have fun constructing your work of art!
4. Sign your work and bring it to The Globe Theater stage by Wed. November 23, 5 pm.
4. 'Contribution Boxes' will be displayed in galleries and shops around town through the holiday season.

BENEFITS

The entire Berlin arts community will benefit from your contribution.

The Arts and Entertainment District will use funds to support YOU!

Awards will be given.
